

## TITLE 1 REPORT

OCTOBER 5, 2021

Due to Covid 19 restrictions we can not have an in person meeting for Title 1. We are posting this information on the website and sending out a text message to our parents letting them know about this information. They will also have contact information if they have any questions.

Our Glen Rose Elementary Title 1 program uses some of our funds to employ two interventionists who work directly with students providing help in Math and Literacy. The Title 1 program also helps fund two instructional interventionists/coaches to support teachers and work with students as needed.

Title 1 funds also are used to employ seven instructional assistants that help provide intervention and support to students as needed.

Supplies for the Title 1 program can also be purchased as needed. These funds have been used to purchase 90 chromebooks for the Elementary. These funds also were used to renew I station

software that is used in the classrooms for remediation and enrichment. Title 1 funds were also used to purchase Heggerty Phonemic Awareness materials for remediation.

Some Title 1 funds are set aside to help with necessities for homeless students.

If you have any questions or ideas on how to use the Title 1 funds please send them to [tburroug@grbeavers.org](mailto:tburroug@grbeavers.org). Thank you.
