

## Spring 2024 Semester Exam Schedule

Students who are still at school must follow normal schedules after 12:00 p.m. Wednesday and Thursday and after 9:20 a.m. on Friday.

If students need to take a make-up exam, let the scheduled teacher know so they can send them to take your test.

Students must stay in class until the end of the period, must be through testing for the day, and must have notes from parents to check out at the end of the test period.
