ACSIP/Indistar/School Improvement GOALS

1. Provide more ways to communicate with our parents via technology (i.e. newly updated school website and app; Facebook and Twitter app and more activities for parents to participate in with their children and teachers
2. Utilizing a career and college coach to assist students and to prepare them for the workplace and college through classroom activities, field trips, reality fairs, and one on one assistance; guest speakers from a variety of careers and colleges; speakers and programs/activities to promote character education and preparation for life during and after high school.
3. Provide resources for personalized professional development utilizing TESS PGPs.
