## SERVICES

The Kindergarten, First, and Second grades are served by whole group enrichment. The identification process begins at the end of 2nd grade. The Identification process was just completed in September. The GT program in serves 3 students in Third grade, 3 students in Fourth grade, 6 students in Fifth grade, and 2 students in Sixth grade. This is a total of 14 students serviced by the Gifted and Talented program in Elementary.

6

Please contact Christi Jackson for more information on our program for the 2020-2021 year.

# Glen Rose Gifted and Talented Program K-6

Christi Jackson  
K-6 Coordinator

3 Fifth and Sixth grade students are serviced through PreAP Math, English, and Reading daily for 150 minutes and with pull out to the resource room for 50 minutes per week. They are also involved with Quiz Bowl and Chess as well as independent research.

4

We also have competed in Quiz Bowl Tournaments and Chess Tournaments at Henderson State University. This year, due to the Covid-19 Pandemic, we will not be able to compete with other schools. We do plan to have a competition among grade levels here on campus!

5

## GOALS

Continue to monitor all options by:

1. Monitoring Pre-AP lesson plans each nine weeks to check for differentiation
2. Continue to evaluate the program and make improvements and adjustments as needed..
3. Help students see connections between grades today and jobs tomorrow and responsibility and how it is tied to adulthood.
