

PARENT AND FAMILY ENGAGEMENT REPORT 2017

All Glen Rose parents and family members are encouraged to be involved with their child/children and their educational activities. Parents and family members are welcome at each building or at activities provided by the school district.

Glen Rose School District has a Parent Center that is open to parents and family members located at the Gifford campus. Each school in the district has a parent section in their school's library. Each school also has parent and family activities planned throughout the school year. These activities are posted on the school's webpage, shared through social media, shared through remind calls, and through flyers/handouts.

Each school in our district has a social media page which parents and family members can join. The schools post upcoming events and make announcements through these pages.

The Glen Rose School District has a parent and family engagement facilitator at each school that can be contacted for information or to share concerns or ideas with. They are Teresa Burroughs (tburroug@grbeavers.org) Elementary, Renee Norwood (rnorwood@grbeavers.org) Middle School, and Tricia Neeper (pneeper@grbeavers.org) High School.
