Please read over the updated form closely. Note the new Assurances section allows you to confirm practices that are *required* but do not need further elaboration. In the response fields, please include links to additional information that can help support your story as you answer the guiding questions.

1: Jointly Developed Expectations and Objectives

Describe how the School works with parents and families to develop and review relevant plans, policies, and strategies related to engagement.

Guiding Questions

- **1.1:** *How does the School - in collaboration with parents - establish an engagement plan that reflects the specific academic improvement needs of the School, and that includes programs and practices that enhance engagement and address the specific engagement needs of students and their families?*
 [A.C.A. § 6-15-1702(a)]
- **1.2:** *What efforts have been made to ensure adequate representation of parents and families of participating children in the process (Title I families)?*
 [ESSA § 1116(c)(3)]

Glen Rose Elementary School will hold a Parent and Family Engagement meeting on October 3, 2022 at 6:00 p.m. The agenda will include looking at current plans for items to keep or changes that need to be made, review Title 1 programs, academic programs being used, and discuss how/what activities or offerings our parents would like to see. Parents that are on the committee will be invited to the meeting by personal postcards. Every family will receive an invitation through the school newsletter, Facebook social media page, and a call home using our automated calling program. After the meeting, changes will be made to the plan as discussed. Any comments that are made that deem our plan unsatisfactory will be provided on the superintendent and school administrators for submission to the appropriate ADE/DESE personnel. We will work to improve and solve the areas of concern.

Glen Rose Elementary School has made the parent and family engagement plan available to parents by putting the plan in each school's handbook, posting on the school's website, and having copies in each office.

Our school will also include a parent-friendly summary/explanation of the parent and family engagement plan in the student handbook and on the district's website.

Our school has parent representatives on the parent and family engagement plan from each school and they will be personally invited to the October 3rd meeting.

The parent and family engagement plan will become a part of each school's school wide plan of action.

2: Communication

Describe how the School will communicate with and distribute information to parents and families.

Guiding Questions

- **2.1:** How does the School distribute an informational packet appropriate for the age and grade of each child annually, ensuring to include:
 - description of the engagement program
 - recommended roles for parents, students, teacher, and the School
 - ways for a family to get involved
 - survey regarding volunteer interests
 - schedule of activities planned throughout the school year
 - regular, two-way, and meaningful system for parents/teachers to communicate
[A.C.A. § 6-15-1702(b)(3)(B)(1)]
- **2.2:** How will the School ensure information related to school and parent programs, meetings, and other activities is provided to parents in a format and in a language that parents can understand (to the extent practicable)?
 - how is relevant information provided in a variety of ways? (For example, paper copies made available, as well as social media posts, website links, parent apps, etc.?)
[ESSA § 1116(e)(5)]
- **2.3:** How does the School offer flexible opportunities for meetings with families?
[ESSA § 1116(c)(2)]

The Glen Rose Elementary School distributes information to parents by using the district's website, the school's social media page (Facebook). K-4 distributes parent information packets with information about the engagement plan to parents during Open House.

During parent teacher conferences in the fall and spring, the district will provide surveys about parental engagement for parents to complete on-site. The surveys will also be available electronically through the school website.

Glen Rose Elementary provides many opportunities for meeting with families including registration/Open House, math and literacy nights, parent teacher conferences, STEAM night, and family book fair nights. Parents are notified with paper flyers being sent home, social media notifications, and through the district's website.

A parent volunteer training will be held in early November before school and in the evening.

Glen Rose Elementary School's staff communicates with parents in a variety of ways: text messages, emails, phone calls, and parent communication apps.

The handbook has the parent and family engagement plan summary contained in it and there are signatures on file from parents stating that they have read and understand the plans. Any changes that are made at the October meeting will be added or deleted and a new copy will be sent home to be signed. These plans are always available in the principal's office of each school.

This can be done at the two parent/teacher conferences held each year, through phone calls, emails, parent/teacher meetings during prep times, or other meetings that are set up. There is also a report to the public meeting held in October at 6:00 p.m. in the high school library. The elementary school has also created Lending Libraries at each grade level for children who need books to take home to read. Teachers may also write prescriptions to the Parent Center for work to send home with students to reinforce standards being taught. The teachers will consider the RISE components and their training in RISE to help guide materials that are provided to parents for extra support with their child.
